Home Learning Expectations

Pupils are expected to practise their times tables and spellings on a weekly basis. Evidence of practise will need to be seen in their books to show they have spent time learning these, this will be checked by a member of staff on a Tuesday.

Evidence could include:

- A lists of spelling words practised by the pupil
- Games played amongst family members to revise spellings
- A parent signature/date of when Times Table Rock Stars has been used
- Games played amongst family members to revise times tables
- Record/signature and date of spelling/maths games played online

If there is no evidence of spellings or tables being practised, class teachers will be in contact with parents to discuss this further.
