Remembrance

This week we have been commemorating 100 years since the end of World War One. Children have learnt about the soldiers within our parish who fought in WW1, have taken part in a range of Remembrance activities and some have contributed to a whole school art project at St Paul's Church. Today we held a Remembrance Collective Worship and invited residents from a local care home, the choir performed and each class presented work from their week. The last post was played by Mrs Dubas and we held a two minute silence.
