

Dear Parents/Carers,

## This week in school

Last week I received a letter from a Year 6 sports squad member asking teachers to consider streaming the England v Iran match. It was such a passionate letter about the importance of the tournament to him and his peers, we gave permission to show the match... the pupils (and staff) were delighted!

Our School Council has updated their child friendly anti bullying policy, adding cyber bullying to it. It is now published on the policy section of our website and a copy is also on display in each classroom.

Well done to our Year 6 football team for their enthusiasm and skill at the recent cluster event. They played 4 matches: they won 2 and drew 2, scored 8 goals and conceded 0.

## Next Week's Dates

- Monday 28<sup>th</sup> November is an INSET day, no pupils are expected in school on this day.
- Our next Forest Schools is on **Friday 2<sup>nd</sup> December** with **Year 2** (for this week only the day has swapped to Friday). Children undertake Forest School activities during the morning. They can wear own shoes into school and then change into their school wellies after registration. If the forecast is heavy rain, please provide a spare change of clothes.

## Can you help us support isolated older people in your community?

Local charity, Silver Salisbury, wants to support older people in minority groups who live in Salisbury but they need your help! Silver Salisbury is a very successful programme of activities to help older people get out and about and enjoy life, helping to relieve loneliness and isolation in old age. They now have a little funding from Salisbury City Council to help ensure that EVERYONE in our community is included. Please see item attached with this week's newsletter.

## Cleaner Vacancy

We are looking for a committed and conscientious person to join our school cleaning team from January 2023. The hours are 3.45-6pm, five evenings per week. The contract is term time (including Inset days) plus 22.5 hours over 4 days during the summer holidays for a deep clean of the school. ## Safeguarding

Each week we share useful safeguarding information for parents / carers. The purpose is to empower you, raise awareness to protective measures you could adopt and provide up-to-date information on trends in order to safeguard your child.
