

Dear Parents/Carers,

This week in school

A team of Year 5 pupils represented our school at the cluster dodgeball festival this week... **and they WON!!** They were remarkable and played so well as a team. They are through to the School Games Finals in July!

We were part of another cluster event for looked after and adopted children in the Salisbury area. They enjoyed a visit to Riverbourne Farm and a talk from the falconry team... they enjoyed dissecting owl pellets!

We were involved with the Salisbury River Park Project today. In assembly we had an update on the works taking place, we learnt more about how our playground designs are coming along and took part in a workshop. The River Project has appointed a local artist, Zac Newham, to create some artwork for the local area, celebrating the river, its animals and habitats. Every class has contributed to a stunning piece that will be put together and displayed in our outdoor area. The plan is for our pupils to create a similar piece when the new playground is opened.
