

Dear Parents/Carers,

This week in school

Well done to all of our Elephants! We are so proud of their attitude to SATs week and their positive work ethic. We have really enjoyed celebrating the end of the week with them with a fish and chip delivery and games afternoon! They've worked hard and played hard. A special mention to Miss Jones and Mrs Orledge for investing so much energy and hard work into the last 9 months... bring on the residential!

Year 6 Residential Meeting

Miss Jones will be running a residential meeting for Year 6 parents via Zoom on Thursday 18th May at 5pm. The link will be sent to you via email.

Spurgeons

Please find attached posters for the Bookstart and Early Words Together sessions that Spurgeons is currently running across Wiltshire.

Family Wizard – Co-parenting' App

The Family Wizard app was recently recommended to one of our families so we thought we'd share this via the newsletter to see if other families would benefit from the co-parenting app. *'OurFamilyWizard is a global co-parenting platform that empowers parents and caregivers with the tools they need to achieve healthy communication after divorce or separation.... With OFW, your schedule, files, contacts, and communication are contained within one app, so you can solve shared custody challenges faster and without confusion. That means less conflict and more energy to focus on your children.'*

Creative Arts' Week Sponsored Event

During the week, we will have a visit from an Olympic athlete who will lead a sponsored event with every class. All money raised will be split between Sports for Schools and us. More information to follow.

Forest School Sessions: Thursday 18th May – Year 1

Safeguarding

Each week we share useful safeguarding information for parents / carers. The purpose is to empower you, raise awareness to protective measures you could adopt and provide up-to-date information on trends in order to safeguard your child.

NSPCC

NSPCC – Positively Online

We believe that going online should be a positive experience for all children. But the internet can be a difficult place for them to navigate. It can be hard to know the real from the fake, how to avoid seeing negative content, or what to do if a mistake is made.

That's why the NSPCC have launched their positive online habits – six top tips to help your child feel good about how they use the internet. They can help you start a conversation with your family about online wellbeing. So you can all feel informed, confident and happy during your time online. Click on the link below:
