

"Loving to learn as we build friendship and faith"

Poster Competition

We are running a competition in school for all pupils to design and create a poster celebrating our school values and renewed vision and ethos. The poster could include pictures of how the vision is lived through everyday school life, it could focus on a specific school value or include a little bit of everything! Be creative... be colourful... be bold! Posters to be returned to school by Friday 26th January. Winning posters will be published to our website and displayed throughout the school.

You are their World Changer!

As part of this term's topic we want to celebrate children's own personal 'world changer' whether this be their mum, their dad, grandparent or other family member. We have organised a lunch for each class over the course of the spring term. Pupils can each invite up to 2 significant adults in their lives to join them for lunch, a letter has been sent home this week. The lunches will take place on the following days:

Year R – 23rd January / Year 1 – 30th January / Year 2 – 6th February / Year 3 – 20th February / Year 4 – 27th February / Year 5 – 6th March / Year 6 – 13th March

Scooter Skills

There will be a Scooter Skills day on Monday 5th February (which may overrun to Tue 6th Feb if necessary) for pupils in Year 1-6. This course will take 1 hour and is run by Wiltshire Council. Children will require a scooter (this needs to be safe and in working order) and the course will cost £2 per child. A letter with more information has been emailed to you this week. If you would like your child to have a place on the course, please return this to Mrs Cookson by Friday 26th January (paper copies available in the school office).

Please be aware

We have had four cases of impetigo in school this week. If you believe your child has impetigo, please see your GP for medication. Children can return to school 48 hours after treatment has started.
