

"Loving to learn as we build friendship and faith"

You are their World Changer!

Our second World Changer lunch was another great success with every child having at least one special guest to stay for lunch – we are so pleased with the support these events have received. Next week sees Giraffe class (Year 2) inviting their significant adults in for a roast.

Stay and Read

Thank you for joining us for our 'stay and read' sessions this week – we plan to organise another one soon!

Votes for Women!

100 years ago on 6th February 1918, an important law was passed which changed the UK forever.... Women were given the right vote (although this didn't yet include all women!). To celebrate this anniversary, we will be exploring this in school next week through our collective worship and lessons.

Key Stage 2 Parents/Carers...

Several pupils in Key Stage 2 do not bring water bottles to school and despite several reminders and advice not to, share bottles or dirty cups with their friends. We are working really hard with pupils to reduce the spread of germs and bugs this winter and we **strongly recommend** children bring in their own water bottle from home. We are happy to lend children cups on the occasions they forget bottles but they should not pick up and use dirty cups or bottles belonging to others – please could you repeat this reminder with them too!

Slime!

Please could you remind pupils not to bring in toys/items from home unless arranged with their teacher for show and tell or topic presentations. The latest craze is slime... and despite being lots of fun to play with, it should be left at home.

Lunchtime Vacancies

If anyone would be interested in 6 MDSA hours, Monday to Thursday (start date to be agreed) please speak to the school office. **Closing date for applications is Monday 5th February.**
