## NSPCC

### Assembly

Today we were visited by the NSPCC who delivered the 'Speak out. Stay safe.' programme to our Key Stage 1 and Key Stage 2 pupils. It was a really informative session which has empowered the children and raised their awareness of staying safe and knowing who to turn to for help.

The assembly was filmed by the 'That's Salisbury' community TV station to report on the NSPCC programme locally. Some Year 6 pupils and I were interviewed about the programme and will feature in a short feature on their TV station from 6pm today (channel 7 on Freeview for Salisbury residents) and it will be shown on their YouTube channel and Facebook pages. Here is a link to the TV station: <http://www.thats.tv/salisbury/>

### Parent Workshop

We would like to invite all parents, carers or family members to a **free online safety workshop** at our school on **Friday 2<sup>nd</sup> March at 2pm**. The content covered in the workshops is aimed at adults. Parents with children are advised to arrange childcare if possible. The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

### Sponsored Event

This year we will also be holding a fundraising event to support this incredible charity which will also take place during the afternoon of Friday 2<sup>nd</sup> March. Children will be coming home with a sponsorship form today to start collect sponsorship for our whole school Zumba event next week.

If you'd like to know more about the NSPCC's work, or take a look at the wide range of information and advice which is available for parents and carers, please visit their website [www.nspcc.org.uk/parents](http://www.nspcc.org.uk/parents)
